

Title- Cafe Classroom

- Cafe Classroom is the third episode of 'Does the Blue Sky Lie? Testimonies of Air's Toxicities' - a three year long project by Khoj that explores the troubled ecologies of Delhi's air.
- Its aim was to support informal learning and relearning by inviting speakers and experts to talk about the climate crisis.
- The talks emphasised the decisions, policies and ideas that shape our understanding about human interaction with the natural world.
- The series was curated by Pradip Saha. The speakers were Anumita Roy Chowdhury, Dr Sandhya Rao, Ashish

Chaturvedi, Bharati Chaturvedi and
Vishwanath Srikantaiah.
